## **Legacy Infrastructure Group Announces Acquisition of J&R Sand**

*New Addition Continues Construction Industry Expansion and Creates New Regional Opportunities*

KANSAS CITY, Missouri (November 11, 2024) — Legacy Infrastructure Group is thrilled to announce it has successfully acquired J&R Sand, a prominent third-generation, family-owned business based in Liberal, Kansas. With a rich history spanning over 60 years, J&R Sand has been a trusted provider of road construction materials and services in western Kansas and Oklahoma.

J&R Sand has established strong relationships with major clients such as the Kansas Department of Transportation and the Oklahoma Department of Transportation. Moving forward, J&R Sand will be known as J&R Constructors Group, LLC.

“This acquisition marks an important step forward for Legacy Infrastructure Group,” said Trey Bowen, CEO. “J&R Sand’s commitment to quality and their family-centered culture, where they prioritize the well-being of employees and their families, embodies the values we uphold. At Legacy, we are dedicated to honoring and continuing the unique family traditions of the businesses we welcome into our portfolio.”

Legacy Infrastructure Group was founded in 2022 with the goal of creating a comprehensive umbrella organization that offers diversification opportunities for horizontal construction businesses. Superior Bowen and Haskell Lemon, both integral parts of the Legacy portfolio, have maintained their reputations for excellence in the construction industry. Superior Bowen, headquartered in Kansas City, is one of the largest asphalt paving and construction companies in the Midwest, while Haskell Lemon, based in Oklahoma City, is renowned for its asphalt production and turnkey road construction services.

“As a family-owned business for over six decades, we’ve always prioritized quality and trust in our relationships with our clients and community,” said Todd and Kelly Carlile, owners of J&R Sand. “Joining the Legacy team is a significant step for us, and we’re excited about the new opportunities it brings. This partnership will enhance our capabilities and continue to deliver exceptional service to our valued clients.”

The acquisition of J&R Sand by Legacy Infrastructure Group not only strengthens the portfolio but also opens new opportunities for growth and collaboration. As Legacy Infrastructure Group continues to expand, it remains dedicated to fostering a culture of performance excellence and mutual respect. The integration of J&R Sand into the Legacy family exemplifies this commitment and paves the way for further growth.

### **About Legacy Infrastructure Group**
